

Tip for families: Geocaching - treasure hunt

Gather your family and discover the holiday region Achensee on our exciting geocaching routes. Several tours with different lengths and stations invite you to solve challenging puzzles. The duration depends on you, from 2 hours to a day's outing, because some places invite you to linger. At each waypoint you will find a clue that brings you a step closer to your goal. If you find the right solution, a small gift will be waiting for you in the information offices. The routes can be found with a classic treasure map or with GPS. Pick up the game instructions for your chosen route at the information offices in Pertisau and Achenkirch or in the Welcome-CENTER in Maurach. Have fun searching!
