Cattle drive festivals at Lake Achensee

Summer is coming to an end. The air is gradually becoming fresher and the trees are starting to shed their leaves. It's about time for alpine farmers to bring their cattle back down into the valley. The cattle drives are an established fixed event in the late summer, and a cause for celebration not only among farmers but also in the local communities.

17th September 2021

Cattle drive Gramaialm in Pertisau

Celebrations with a house concert and a crafts market at the "Gramai" mountain hut in Pertisau at 11.00. The cattle are expected at the hotel Karwendel by 13.00 – there will also be music and entertainment. In the evening there will be a mountain hut party at the Gramaialm - musical entertainment with "Pepi".
